

# NETATMO

## For the world's greatest hero: your dad

This Father's Day, give back to your own personal hero and save money. Netatmo offers discount bundles to give your dad tech gifts that will give him new kind of powers.

**HYPER VISION**  
PRESENCE AND WELCOME

With the help of Presence and Welcome, nobody will be able to trespass or loiter around your dad's property without being detected. Presence is an outdoor security camera with breakthrough artificial intelligence to detect and report between people, cars and animals. It analyses in real-time if someone loiters around the house, enters the driveway or if an animal is in the garden. For indoor surveillance your dad can count on Welcome: an indoor security camera with revolutionary face recognition technology. Your dad will receive immediate alerts when a stranger is detected, complete with a picture of their face and a video of the intruder.

**£70 discount when you buy the pack**

**BOTANOKINESIS**  
WEATHER STATION & RAIN GAUGE

Give a gift perfect for green fingers with Netatmo's gardening combo: Weather Station and Rain Gauge. The Personal Weather Station accurately measures ultra-local weather data such as temperature, humidity and barometric pressure. It also gives your dad access to historic data and graphs on a smartphone, tablet or computer so he can know what's affecting his lawn or garden from the comfort of his couch. Additionally, the Weather Station pairs up with the Rain Gauge to give your dad real-time readings of the amount of rainfall and accumulated precipitation data. Let him track rain information precisely so he'll know when to water his plants or lawn.

**£30 discount when you buy the pack**

**HEAT CONTROL**  
SMART THERMOSTAT AND  
ADDITIONAL VALVE

Saving the planet is more than fighting supervillains, your dad can do his part by saving energy. The Netatmo Smart Thermostat and the Additional Valve offer several features that will save your dad an average of 37% less energy to heat his home. Netatmo's smart home solutions come with a heating schedule based on user's habits so your dad can get the right temperature at the right time. Additionally, he can use the Away and Frost-Guard modes to reduce his energy consumption when he's away. Best of all? He'll have full control of his heating through his smartphone, tablet or computer.

**£30 discount when you buy the pack**

\*offer available until 17/06/2018 and is limited to a maximum of two identical items per customer.

## ABOUT NETATMO

Netatmo is a revolutionary smart home company, developing groundbreaking, intuitive and beautifully-designed connected consumer electronics. Truly smart, Netatmo's innovative products provide a seamless experience that helps users create a safer, healthier and more comfortable home. Netatmo carefully designs the mechanics, electronics and embedded software of all its products to the highest standards. Netatmo also creates the mobile and web applications that fully realise their potential. Since 2012 Netatmo has released thirteen devices and accessories, divided into four categories:

**\* Weather** - The Personal Weather Station and its accessories, the Additional Indoor Module, the Rain Gauge and the Wind Gauge.

**\* Energy** - The Smart Thermostat and the Smart Radiator Valves, both designed by Philippe Starck.

**\* Security** - The security cameras Welcome, for indoor, and Presence, for outdoor, and their accessories, the Tags and the Indoor Security Siren, and the Smart Smoke Alarm.

**\* Air care** - Healthy Home Coach, the smart indoor climate monitor.

Netatmo is a leading innovator in the smart home industry with products available through a growing network of distributors worldwide, selling to consumers through major retail and B2B channels. Through its program "with Netatmo", Netatmo develops connected solutions with leading brands in the building industry to be integrated into residential home infrastructure, whether new-build or renovation. In November 2015 Netatmo completed a series B funding round of \$31 million. The company previously raised \$4.7 million in 2013.
