Cool gifts for trendy mums

FOR A HEALTHY HOME

With its beautiful design, the **Weather Station for Smartphone** measures indoor air quality and outdoor weather conditions. Mums monitor their environment and take simple steps to live in a healthier home. **RPP: £139**

LET IT RAIN

Most convenient to know when to water the plants, the **Netatmo Rain Gauge** records the amount of rainfall per hour or cumulated over longer periods of time. **RPP: £59**

A BREATH OF FRESH AIR

The **Additional Module** tracks and records the indoor environmental elements of the room it is placed in: CO2, temperature and humidity. It fits perfectly into any bedroom or child's playroom. **RPP: £59**

FAMILY IN THE PALM OF THE HAND

Welcome is an indoor security camera with face recognition. It recognizes the faces and sends the names of people it sees to the user's smartphone. The camera notifies mums exactly who is at home, their loved ones or a stranger. **RPP: £199**

About Netatmo

Founded in 2011, Netatmo is an innovative company developing consumer electronics for a better and connected lifestyle. Netatmo carefully designs their products' mechanics, electronics and embedded software. Netatmo industrializes them with the finest quality standards and designs the mobile and web applications that unleash their capabilities.

Netatmo's smart products fall into three categories: security, environment and heating.

The first device launched by the company, the Weather Station for Smartphone, allows owners to monitor the environment in more than 170 countries. It's the world's crowd-sourced weather observation network.

In November 2013, Netatmo launched their Thermostat for Smartphone, dedicated to the European market. Designed by Philippe Starck, it helps users to save 37% energy to heat

their home. Netatmo launched Welcome in 2015. Welcome is an indoor security camera with revolutionary face recognition technology to distinguish who is home and to alert immediately about intruders.

At CES 2016, Netatmo unveiled Presence the first outdoor security camera with breakthrough deep learning technology, able to detect and report about people, cars and animals.

Netatmo is widely recognized for its products each year at the prestigious CES Innovations Design & Engineering. In 2016, the brand has been honoured for Presence with 4 CES Awards.
