

Celebrate a connected Christmas with Netatmo

For your Christmas gifts this year, forget those boring old novelty ties, sweaters and truffles... Netatmo offers a range of unusual and useful connected gifts the whole family will enjoy.

FOR YOUR GREEN-FINGERED DAD
who likes to know precisely when to water the garden

The **Personal Weather Station** measures ultra-local weather data such as temperature, humidity and atmospheric pressure. With the **Rain Gauge**, an accessory for the Weather Station, gardeners can make sure their garden is always adequately watered

Weather Station MRSP \$179.99
Rain Gauge MRSP \$99.99

FOR YOUR GOLFER UNCLE
who doesn't like being buffeted by the wind

The **Wind Gauge** accurately and reliably measures the wind speed and direction, as well as alerting you in case of strong winds.

The **Wind Gauge** is an accessory for the Weather Station.
MSRP \$119.99

FOR YOUR ANXIOUS MOM
who wants to know if her home is secure

Netatmo **Welcome** is an indoor security camera with revolutionary face recognition technology that sends the names of the people it recognizes directly to your smartphone. It sends real-time alerts when a stranger is detected.

MSRP \$219.99

FOR YOUR GLOBETROTTING BROTHER
who travels the world but likes to keep an eye on his house

Netatmo **Presence** is the first outdoor security camera with breakthrough artificial intelligence to detect and report on people, cars and animals. It recognizes what it sees and sends a precise visual alert when something happens outside your home, even if you're on the other side of the world.

MSRP \$349.99

FOR YOUR SISTER – A YOUNG MOM
who wants to ensure the best environment for her baby

Healthy Home Coach records and keeps track of indoor air quality and temperature as well as humidity and noise levels. In addition, it provides suggestions to improve the indoor climate for the whole family, including babies or those with asthma.

MSRP \$119.99

ABOUT NETATMO

Netatmo is a revolutionary smart home company, developing groundbreaking, intuitive and beautifully-designed connected consumer electronics. Truly smart, Netatmo's innovative products provide a seamless experience that helps users create a safer, healthier and more comfortable home.

Netatmo carefully designs the mechanics, electronics and embedded software of all its products to the highest standards. Netatmo also creates the mobile and web applications that fully realise their potential.

Since 2012 Netatmo has released thirteen devices and accessories, divided into four categories:

Weather - The Personal Weather Station and its accessories, the Additional Module, the Rain Gauge and the Wind Gauge.

Energy - The Smart Thermostat and the Smart Radiator Valves, both

designed by Philippe Starck.

Security - The security cameras Welcome, for indoor, and Presence, for outdoor, and their accessories, the Tags and the Indoor Security Siren, and the Smart Smoke Alarm

Air care - Healthy Home Coach, the smart indoor climate monitor

Netatmo is a leading innovator in the smart home industry with products available through a growing network of distributors worldwide, selling to consumers through major retail and B2B channels.

Through its program "with Netatmo", Netatmo develops connected solutions with leading brands in the building industry to be integrated into residential home infrastructure, whether new-build or renovation.

In November 2015 Netatmo completed a series B funding round of €30 million. The company previously raised €4.5 million in 2013.
